Majority required

1. Subject to rule 34, decisions of the Commission, subcommission or subsidiary body on all matters of substance shall be taken by a two-thirds majority of the members present and voting. Notes

[1] The election of the members of the Commission was postponed until March 1997 by a decision of the Third Meeting of States Parties to the Convention, held from 27 November to 1 December 1995. Since the Convention entered into force on 16 November 1994 for the 60 States whose ratifications made that entry into force possible and the commencement of the 10-year period began for them on that date, the Meeting agreed that should any of those States be affected adversely in respect of its obligations under the Convention as a consequence of the change in the date of the election, States Parties, at the request of such a State, would review the situation with a view to ameliorating the difficulty in respect of that obligation (SPLOS/5, para. 20).

[2] The legal opinion on the applicability of the Convention on the Privileges and Immunities of the United nations to the members of the Commission was provided in a letter dated 11 March 1998 from the Legal Counsel, Under-Secretary-General of the United Nations for Legal Affairs, addressed to the Commission on the Limits of the Continental Shelf (CLCS/5).
